

## THE GLORIOUS FOURTH.

## HOW IT WAS CELEBRATED IN THIS CITY.

A Street Parade—Sports in the Harbor—Baseball and Barbecue—Literary Exercises, Etc.

The festive fire-cracker awoke most residents of this city at an early hour yesterday, while others had set their alarm clocks so as to be in time to see the parade of Antiques and Horribles which started at 6:30 a. m. While this portion of the program was not very extensive, what there was of it was decidedly good and seemed to amuse the large crowd who had gathered in the streets to witness it. The minstrel troupe, the elephant, and the "one-hoss shay" seemed to divide the honors.

The literary exercises took place at 11 o'clock at Little Britain, where a large pavilion 70x70 had been erected for the occasion. Minister Blount acted as president of the day, the following order of exercises being observed: Prayer, Rev. O. P. Emerson; song, "Battle Cry of Freedom," audience; reading of Declaration of Independence, Commander Nelson of the Adams; address of Patrick Henry by Ensign Vogelgesang of the Adams; oration, Lieut. Lucien Young of the Boston; address, P. C. Jones.

At the conclusion of the exercises most of the two thousand people present partook of barbecued beef, roast beef and other edibles, which were served out to the hungry crowd as rapidly as possible. During the afternoon the Hawaiian band furnished music for dancing.

Other people who did not care for literary exercises found plenty to amuse them in cricket, baseball, boat races and a variety of other amusements too numerous to mention.

The Masquerade ball given at the Arroyo at night was very successful, a large number being in attendance. The following prizes were awarded for the best sustained characters:

First prize, \$12, sheep and herder, M. I. Silva and V. Santos. Second prize, \$7, 50, best lady and gentleman, J. Correia and A. Barbosa. Third prize, \$5, best single character, A. L. Pereira. Dancing was kept up till about 2 a. m., Professor Berger's orchestra furnishing the music.

## HAWAIIAN RIFLE ASSOCIATION.

## Seventeenth Semi-Annual Shooting Match Yesterday.

A beautiful day, little or no wind and a very large attendance all combined to make yesterday's shooting match one of the greatest successes in the history of the association. John Kidwell, assisted by F. S. Dodge, was in charge of the arrangements and they could not have been in better hands.

First on the list was the contest for the Brodie cup, open to members of the association, which was won by J. H. Fisher by a score of forty three out of a possible fifty at 200 yards. This makes the second time Mr. Fisher has won the trophy. In previous contests it has been won once by Messrs. J. W. Pratt, C. J. Wall, H. W. Peck and Frank Hueste. To hold the trophy it must be won three times. The same rule applies to the second prize, a gold pin presented by Mrs. C. H. Nicoll, which was won yesterday by W. E. Wall for the third and last time. The third prize, \$250 in cash, was taken by John Kidwell.

For the directors' prize rifle, valued at \$50, to become the property of the marksman winning it three times, W. E. Wall came to the front with a score of 91 out of a possible 100 at 500 yards. This prize has been won once previously by J. H. Fisher. The second prize of \$250 fell to C. J. Wall with a score of 89.

The Hawaiian Fruit and Packing Company's cup, open to members of the association who have not made a record of eighty per cent in any of the regular 200-yard matches, was won for the second and last time by John Kidwell with a score of 40.

The H. R. A. Trophy, valued at \$100, for members only, to be won three times at regular meetings, for the highest aggregate score at 200 and 500 yards, was captured this time by W. E. Wall with a score of 91, the second prize going to C. J. Wall with 87. This prize has been won once before by J. H. Fisher.

The ex-Queen's trophy, valued at \$100, for the highest aggregate score in matches Nos. 1, 2 and 4, to become the property of the marksman winning it three times at the regular meetings of the H. R. A., was won by Walter E. Wall with a score of 224. It has been won once before by J. H. Fisher.

The E. O. Hall & Son trophy, at 200 and 500 yards, valued at \$75, was won for the third and last time by A. C. Wall with a score of 89, while John Kidwell took second prize with 82.

The Hawaiian Hardware Company's trophy, which has been won twice by F. S. Dodge, was carried away this time by A. C. Wall with a score of 83, John Kidwell making 81 and F. S. Dodge 77.

The fancy sporting rifle presented by Hon. S. B. Dole to the marksman winning it twice at 200 and 500 yards, was finally won by John Kidwell with a score of 83, he having previously won it on March 17th last.

In the citizens match there were 170 entries, the first cash prize being \$50, second \$25, third \$15 and fourth

## THE MAUI RACES.

## A Big Program But Very Little Good Racing.

The Seventh Annual Meeting of the Maui Racing Association took place at Spreckels Park, Kahului, yesterday, with a program of twelve races, and an aggregate of 39 entries. Lack of space prevents more than a summary of the results, as follows:

Spreckelsville Purse; \$50. Running race, half-mile dash. Entries—Winfield, Ivanhoe Jr., Leilehua and Cora. The first and last were scratched before the race, which was very close between Ivanhoe and Leilehua, and was won by the former in 57 seconds.

Waikuku Purse; \$100. Running race, half-mile and repeat, free for all. Entries—Oregon Boy, Kapiolani Girl, Alta Mia and Billy C. The two latter failed to face the starter. The first heat was taken by Oregon Boy in 54 1/5 seconds; the second and third by Kapiolani Girl in 57 and 58 3/4 seconds respectively.

Hawaiian Commercial & Sugar Co.'s Purse; \$100. Trotting and pacing, one mile heats, for Hawaiian bred horses. Won by Waikapu Maid in two straight heats. Time, 2:25 and 3:21.

Waikapu purse; \$75. Three-quarter mile dash, for Hawaiian bred horses. Won by Leilehua by two lengths from Ivanhoe Jr., with Black Diamond a bad third. Time, 1:24 1/2.

Hana Purse; \$125. Trotting and pacing, mile heats, best two out of three. Starters: Jack, Lahaina Chief, Aupuni and Fred Mac. In the first heat Jack distanced the rest, but upon being weighed it was found that his driver was just a hair's weight short of the regulation mark, and the judges declared the heat off. It is supposed the driver dropped his handkerchief between the track and the weighing stand, which made the difference. On the second heat Jack repeated his performance and distanced everything. Time 2:54.

The mule race, 3/4 mile dash, was won by Kula Boy in 1:07. The Liliuokalani Cup; Purse \$125; 1 1/4 mile dash, was won by Lord Brock from Cora in 2:46 1/2. Mana Cup; Purse \$125; 1 1/4 mile dash for Hawaiian horses. Won by Billy C. Time not posted.

## THE HULA HULA.

## San Francisco People Are Flocking to See it.

The Hula girls who left on the Australia about six weeks ago have roused the curiosity of San Francisco theatergoers, according to the following, taken from a recent number of the Wasp:

"The 'Hula Hula' at the Wigwam is drawing great crowds every night. It is almost as good as a visit to Hawaii itself. The girls who dance could not be more Hula-like were the sand-witches grow. They dance here just as they do there. The traveler who lands at the Hawaiian group would not consider that he had done the Islands at all if he missed the 'Hula Hula.' It is performed for the most royal and distinguished visitors always. Here now is an excellent chance for the curious, who may never see the much-talked-of Islands, to at least take in one of the charming features of a visit."

## ACCIDENT AT CRICKET.

## One of the Players Fractures His Leg.

During the first innings of the cricket match between the bachelors and bachelors at the old ball grounds yesterday afternoon Mr. J. Hutchings, an employee at May's store on Fort street, while at the bat and in the act of turning a strike a wide ball, was unfortunate enough to twist his ankle with sufficient force to throw him to the ground. Dr. Walters, one of the players, after a hasty examination, had him conveyed on a mattress to his residence near by. Dr. J. S. McGrew was summoned and found that the outer bone of the right leg had been fractured near the ankle. Dr. McGrew states that the accident will confine Mr. Hutchings to his house for three or four weeks.

## A Street Casualty.

Yesterday afternoon a two-seated surrey was rapidly driven around the corner a block below the hill terminus of the Nuuanu street line, and over turned. A man and a woman were thrown out and badly bruised. The wagon was not much hurt and the horse was caught before it could get away.

## FROM KALALAU VALLEY.

## The Waialeale Brings News of the Expedition.

The steamer Waialeale came in at 4:30 yesterday afternoon via Hanalei from the Kalalau valley, where she had landed the expedition sent to capture Sheriff Stolz's murderer and the other lepers in that valley. On the outward trip the steamer stopped at Hanalei, where it was learned that some twenty natives of both sexes had left the Kalalau valley and were at Haena. The steamer was at once headed for that place and about fifteen natives found, but no lepers were among them. One of the number named Pa consented to act as guide for Deputy Marshal Larsen and told him that twelve lepers, besides five women and three children, were in hiding in the mountains.

The steamer then proceeded, taking Pa along, to the Kalalau valley, where a landing was effected and a permanent camp established. This has since been moved further up the valley. The proclamation declaring martial law was distributed by natives throughout the valley, and the lepers were given forty-eight hours in which to surrender, or be shot on sight. Many of them came in of their own accord, while ex-Judge Kauai, who is supposed to be responsible for the present state of affairs, was found and arrested in his house.

Altogether the Waialeale brought over fifteen lepers, mostly women and children, who have been transferred to the receiving station at Kalihi. Luther Wilcox, Kunakakea, and another, previously had a conference with these lepers, which led to their surrender, during which it was stated there were eight lepers, including Koolau, who had sworn not to be taken alive.

The forty-eight hours notice expired at 9 a. m. on Monday, but as the steamer left soon after it is not known what subsequent action has been taken, although a party, composed of C. B. Reynolds, officers Hilbus and Mitchell and a leper guide, had started for the head of the valley, in search of Koolau.

Probate Matters.

The hearing of motions pertaining to the estates of A. F. Ramos, James Gay, Joseph Gomes and W. J. Roche, which was set for Monday last has been postponed until Friday.
